If you cant handle throwing your computer across the room then I wouldnt reccomend it. But if you're up for a challenge then you're in for a treat.. dopest game ever legit the perfect difficulty, it's challenging and fun the controls are sweet as well the artwork is incredible, and soundtrack is cool the easter eggs are random and what but yes good also VERY GOOD GAME also it has trading cards and is cool game cheap and is good good goododdddododofo it is seriously amazing game worth every cent :))))))0 :))))))0. Actually,this is not as bad as it looks.. Actually,this is not as bad as it looks.. I've been on steam for 7 years and this is the worst game I've ever seen. Atleast joke games have some effort put into them.. I've been on steam for 7 years and this is the worst game I've ever seen. Atleast joke games have some effort put into them.. This is truly an excellent game so long as you recognize it for what it is, that is, an old school indie game, the graphics are not great nor is the story, but the gameplay is hilarious and provided me
